20/20 Hindsight: Clearing the Air on Vision

**Presented by:
Doreen Franklin,
National Federation of the Blind, St. Lucie Chapter**

Join us for this informative webinar on vision impairments in children. We will explore basic eye functions; prevalent eye diseases with simulations; and the basics of service delivery both in the doctor's office and in school. We will also discuss Braille, orientation & mobility, as well as general courtesies and important resources for parents.

What is a Parent Center?

- CFPC is the Parent Training & Information Center (PTI) for central and northeast Florida.
- CFPC is funded by the U.S. Department of Education's Office of Special Education Programs (OSEP) under the Individuals with Disabilities Education Act (IDEA).
- Parent Centers serve families of all ages (birth to 26) and all disabilities completely free of charge.
- Parent Centers are staffed by parents and other family-members of children and adults with disabilities.
