STAFF ATTORNEY KING COUNTY OFFICE

TEAMCHILD

TeamChild is a nationally recognized nonprofit serving vulnerable youth across Washington State. TeamChild is best known for its legal services program reaching children in crisis in King, Pierce, Spokane, and Yakima counties. Our clients are generally 12-21 years old and many are involved in the juvenile justice and child welfare systems. Our legal services program is designed to keep young people out of juvenile court by reconnecting them to education, healthcare, mental health, and housing supports. We work closely with public defenders, juvenile court staff and the community to positively impact the young person's life while helping the youth to accomplish their goals and reduce further contact with the courts. The goal of all of our programs is to divert children away from school exclusion, arrest and incarceration, and directly into the supports that have the best chances of getting them back on track.

At TeamChild we believe that racial and other social identities should be respected and affirmed. In support of this belief, we are building an equitable and inclusive organization and providing our team of staff, volunteers and Board members with the tools to address institutionalized racism and other forms of oppression. As a result, TeamChild is committed to developing advocacy skills with and beside our client communities to redistribute the advocacy role beyond our agency. All members of our team are responsible for providing and supporting an equitable and inclusive work environment that will enrich our interactions with each other and our products and services. This responsibility provides the foundation for serving our clients and their families so their needs are justly represented and their desires amply fulfilled.
