Boulder Public Safety Listening Session

When:

Saturday, May 18, 2024: 11 am – 1 pm

Where:

Center for People With Disabilities
1675 Range Street, Boulder, CO

The City of Boulder's Independent Police Monitor, along with the Boulder Police and Fire Departments, want to hear directly from community members living with disabilities. We understand that when emergencies occur and first responders are called, the situations can feel very stressful, especially for those living with disabilities. We know it is crucial to listen directly to members of the disability community to better understand experiences and worries when dealing with first responders. Our goal is to provide better support and assistance in the most respectful and inclusive way possible. Your insights are so valuable to us!

Lunch will be provided!
