

Accessible Experiential Event Guide

National Federation of the Blind, Boulder Valley Chapter

June 6, 2026

Melanie Sloan, Transportation & Mobility

Transportation & Mobility

What: Completed our Americans with Disabilities Act (ADA) Self-Evaluation

When: 2021

Why: To ensure equal opportunity for people living with disabilities

How: Taking actions to address the Transportation & Mobility accessibility challenges present in the city

Initiative 5: Ensure meaningful involvement of the disability community

ADA Transition Plan

Prioritizes accessibility action items in response to issues identified through the ADA Self-Evaluation

10 Initiatives

24 actions

1	Infrastructure
2	Tracking compliance
3	Implementation
4	Detours and event closures
5	Historic neighborhoods
6	Involving disability community
7	Communications
8	Funding
9	Advance improvements
10	Title VI

Transportation & Mobility

Initiative 5: Ensure meaningful involvement of the disability community

5C: Develop checklist for accessible experiential events planning

Accessible Experiential Event Guide

- Please provide your experiences with:
 - City or city hosted experiences, like corridor roll and strolls or arts week?
 - Experiences hosted by other communities or organizations, like in Denver or a festival?

Accessible Experiential Event Guide

- Tell me what:
 - Resources I should reference or know about for this work?
 - Who I should connect with, either individuals or organizations?
 - Are your hopes for a planning guide?
