

Seeking Disabled Adults for a Research Study about Sex Education

This study explores the recalled sex education experiences of disabled people who grew up with the A.D.A. and I.D.E.A. in the United States.

You will be asked to fill out an anonymous online survey. The survey takes 10-20 minutes to complete.

To participate:

- You must be 18 years old or older.
- You must be born after 1989.
- You must be able to read and write English. You can do this on your own or with the help of an assistant.
- Have one or more forms of disability.
- You must have been disabled before you turned 19.
- You must have learned sex education while you lived in the United States.
- You must have been homeschooled for less than half of your K-12 education.
