**Salary:** EA-36, \$97,041.00 - \$123,971.00 (P3-A)  
**Closing Date:** September 5, 2017 – September 19, 2017

The Department of Rehabilitation Services, Bureau of Rehabilitation Services, is currently recruiting for a Vocational Rehabilitation Regional Director for the Southern Region. The selected candidate should have demonstrated experience in leading staff to achieving outcomes, managing multiple offices, and allocating resources to meet the needs of the communities. Developing models and overseeing service delivery; competence in Microsoft Office, current case management system, and CORE-CT, and excellent communication skills are required. Experience partnering with state and private agencies is needed. **Working knowledge of agency budgets and recent Vocational Rehabilitation supervisory experience are preferred.**

**Additionally, the selected candidate must possess:**

- Knowledge of the practice of Vocational Rehabilitation.
- Knowledge of state Human Resource procedures
- The ability to understand and apply relevant state and federal laws, statutes and regulations.
- The ability to work both independently and as part of both local and statewide teams to carry out the mission of the vocational rehabilitation program.

**EXAMPLES OF DUTIES:**

Plans, organizes, and directs all activities in an assigned region of the Bureau of Rehabilitation services; coordinates programs and services of district and local offices to provide maximum effective services to consumers; projects budgetary, staff, and personnel requirements and needs; acts as liaison between agency and referral and community agencies within the region; maintains existing and seeks new service and referral agencies; speaks before lay and professional groups; determines needs and provides for in-service training and staff development within the district; makes statistical and progress reports to central office.

**Vocational Rehabilitation Regional Director**

**KNOWLEDGE, SKILL AND ABILITY:**

Knowledge of principles, methods, procedures and current developments in administering vocational rehabilitation programs including personnel practices, administrative techniques and office management; knowledge of current social legislation including Federal and State Laws pertaining to the rehabilitation of persons with disabilities; broad knowledge of organization and occupational structure of modern industry; knowledge of in-service training; knowledge of community organizations and other resources available to persons with disabilities; ability in written and oral expression.

**EXPERIENCE AND TRAINING:**

1. A Master's Degree in vocational rehabilitation counseling, guidance or a related behavioral or social science.
2. One (1) year of additional education in vocational rehabilitation
3. Six (6) years of progressively responsible employment in vocational rehabilitation counseling including at least three (3) years in a supervisory capacity

**NOTE:**

For employees of the Connecticut Bureau of Rehabilitation Service seven (7) years of employment as a Vocational Rehabilitation Counselor may be substituted for the graduate study requirement.

**Application Instructions:** Interested and qualified candidates who meet the above requirements should submit the following in a single PDF file:

1. State of Connecticut Application for Employment (CT-HR-12), available online at: [DAS Employment Connection](#)
2. Three (3) professional references.
3. For state employees, please submit two (2) most recent service ratings in lieu of references.
