

# Nominate Yourself to Serve on a Red Line Station Area Advisory Committee!

## Get Involved in Station Planning Efforts in Your Community

As a part of the Maryland Transit Administration's commitment to the Baltimore City Red Line Community Compact, we would like to announce the establishment of Station Area Advisory Committees (SAACs).

These committees will provide community stakeholders (station area residents, businesses, churches, organizations, and institutions) the opportunity to participate in the process of designing how the 20 proposed light rail stations will integrate into their communities. By working with designers, architects, land use professionals, and planners, these committees will advise the MTA on the following important design decisions:

- **Station Location**
- **Station Design**
- **Station-Related Alignment and Traffic Issues**
- **Station Naming**
- **Station Area Planning**

Each of the 20 proposed stations will be assigned to a committee. In some cases, a committee may be responsible for more than one station, but this will depend on the level of interest expressed by the community. To maximize participation and maintain manageable meetings, each committee will have 15 to 20 members.

If you would like to learn more about the committees, the nominee selection process, or find nomination forms, you can also visit our website at [www.baltimoreredline.com](http://www.baltimoreredline.com).

**Nominations will be accepted until August, 25, 2010.**

If you have additional questions or need more information, please contact:

- **Lorenzo Bryant**, MTA's Red Line Project Manager, 410-767-3754 or [redline@mtamaryland.com](mailto:redline@mtamaryland.com)
- **Staycie Francisco**, MTA's Community Outreach Coordinator, 410-767-0667 or [sfrancisco@mtamaryland.com](mailto:sfrancisco@mtamaryland.com)
- **Danyell Diggs**, Baltimore City Red Line Coordinator, 443-984-4097 or [danyell.diggs@baltimorecity.gov](mailto:danyell.diggs@baltimorecity.gov)
