Tioga Station Street Level Elevator Out of Service for Major Repair

The street level elevator will be temporarily out of service **August 9-13, 2021** while sidewalk repair work at the station entrance is completed

This elevator provides street access, access for eastbound travel (towards Center City and Frankford Transportation Center), and the westbound platform elevator for travel towards 69th Street

For elevator access the Market Frankford Line, customers may use **Allegheny** or **Erie-Torresdale Stations** as travel alternates

- Take the Route 3 bus for travel to **Allegheny** or **Erie-Torresdale Stations** from Tioga Station
