

NOTICE OF VIRTUAL PUBLIC HEARING

SOUTHEASTERN PENNSYLVANIA TRANSPORTATION AUTHORITY

PROPOSED AMENDMENT TO THE FISCAL YEAR 2022 CAPITAL BUDGET

On June 24, 2021, the Southeastern Pennsylvania Transportation Authority (“SEPTA”) Board approved the Authority’s FY 2022 Capital Budget and FYs 2022 – 2033 Capital Program. With the enactment of the federal Infrastructure Investment and Jobs Act (IIJA) in November 2021, SEPTA anticipates approximately \$95 million of additional funding will be made available for capital projects in FY 2022. To program for this increase, SEPTA is proposing amendments to the Board adopted FY 2022 Capital Budget. Please note, public review and comment for modifications to SEPTA’s 12-year Capital Program (fiscal years 2023 and beyond) will be conducted as part of the proposed FY 2023 Capital Budget and FYs 2023-2034 Capital Program. This proposal will be published in April 2022.

To ensure transparency and public engagement, SEPTA will be holding virtual public hearings regarding the proposed changes to the current capital budget. Due to the ongoing COVID-19 pandemic, to support the health, well-being and safety of our community, the SEPTA Capital Budget Amendment Public Hearings will be held as virtual hearings.
