

Attention CCT Customers:

Due to supply chain issues, customers purchasing Zone 2 or higher Trailpasses, will receive 30-Day Rolling Transpasses.

All SEPTA CCT drivers have been notified that 30-Day Rolling Transpasses issued by a SEPTA Sales Office will be accepted for **May travel**.

Important information to communicate to clients:

If you are traveling on:

- **SEPTA CCT Vehicles**, show your pass to the driver.
- **SEPTA Regional Rail**, show your pass to the Conductor on board. When exiting Regional Rail at a Center City station, find a SEPTA ambassador to exit the turnstile.
- **SEPTA Transit** (Buses, Trolleys, Subways, and Norristown High-Speed line), tap your pass on the SEPTA validator. Do **NOT** swipe the pass.

We appreciate your understanding during this time.
