

The Midwest Alliance
Explore your possibilities.

Apply
today!

Are you or someone you know a part-time or full-time college student in Illinois, Iowa, or Wisconsin who has a disability and is interested in receiving help finding an internship in a science, social science, technology, engineering, or math field?

**Open to residents
of Wisconsin,
Illinois, and Iowa**

**Includes a stipend
of up to \$200**

**Help yourself and
others succeed!**

The Midwest Alliance is here to help!

Benefits to applicants include the help searching for internships, stipends of up to \$200, and the ability to gain experience and information about accommodations and career choices. Online applications to our internship and mentoring programs are being accepted now through February 15th, 2011

To apply, visit
www.StemMidwest.org
