

Eat and Earn at Beggars Pizza!

In an effort to help give back to the surrounding communities, Beggar's Pizza will sponsor and host charity events Monday and Wednesday evenings.

Non-profit organizations looking to raise funds can organize and promote their groups or sports programs to dine at Beggar's Pizza and 20% of their dinner bill will be donated to their organization.

This is a fantastic program where people can have a great time, enjoy great food and raise funds for a great cause!
