

# Sled Hockey at McKinley Park

## Come Check It Out!

The Chicago Park District and Rehabilitation Institute of Chicago's Sports Program will be bringing sled hockey to McKinley Park's Outdoor Ice Rink!

Sled hockey follows most of the typical ice hockey rules with the exception some of the equipment. Players sit in specially designed sleds that sit on top of two hockey skate blades. There are two sticks for each player instead of one and the sticks have metal pics on the butt end for players to propel themselves.

Sled hockey provides opportunity for many types of disabilities and there are opportunities available in local areas for recreation/competition all the way to the National Sled Team that plays in the Paralympics.

When: Monday, February 23<sup>rd</sup> at 6:00pm

Where: McKinley Park Outdoor Ice Rink  
2210 W. Pershing Road  
Chicago, IL 60609
