

May 2022

Latest News:

New launch opening in Summer of 2022.

RFD3 – Joliet, IL

- Amazon's receive center support customer fulfillment by taking in large orders of the types of inventory that we expect to quickly sell and allocate it to fulfillment centers within the network. Full-and Part-Time shifts will be available in this building, which are about 600,000 square feet in size.

Application tips

- NEW! Candidates can now view their application status by logging into their profile on hiring.amazon.com
- All correspondence is communicated by email so be sure to check emails and spam folders to ensure that applicants receive critical information regarding their application.
- Any questions about how to apply or applications?

Reach out to our staff at:

<https://hiring.amazon.com/contact-us#/>

What is it like at a delivery station?

- Delivery stations are the last stop for a package before a driver picks up and delivers.
- Smaller than fulfillment centers, delivery stations sort packages by zip code. Packages arrive already packed by the fulfillment centers.
- Once sorted, packages are stowed in bags and wait for the driver to pick them up for delivery!
- Delivery stations in our area include locations in: Bridgeview, IL, Romeoville, IL, Champaign, IL and Crown Pointe, IN.

Mental Health & Well-Being

Affinity Group Spotlight: Mental Health & Well-Being

Who We Are

Mental Health and Well-Being (MHW) is Amazon's newest Affinity Group! Mental health is a subject that is often misunderstood but it is at the core of our well-being. This group was created to raise awareness of what mental health is and bring attention to what resources exist to support employees and their families. All are welcome; we invite all Amazonians to join us in building an inclusive community that supports one another in an effort to maintain their well-being.

Mission

Our mission is to promote employee well-being and to create a safe community where we can come together to reduce the stigma of mental health, raise awareness, create a culture of acceptance, and support one another.

Vision

The Mental Health and Well-Being Affinity Group has the vision of helping Amazon emerge as the Earth's Best Employer and Earth's Safest Place to Work through encouraging Psychological Safety at the workplace and building an Emotionally Resilient Workforce thereby promoting a culture of tolerance, openness and awareness across the company.

AmaZen: Mental health

May is Mental Health Awareness Month. It has never been more important than now to recognize that mental health is an essential component to one's overall health and well-being. Find out how you can help stop the stigma. Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make healthy – to read more please visit news.a2z.com

Warriors at Amazon is an officially recognized Amazon Affinity Group that was established on Sept 11, 2011. We are Amazonians who served in their respective country's military forces, those who are still serving, their families, and all Amazon employees who support them.

Workforce Staffing lends a hand to the VA Hospital

Marian participated in event at Jesse Brown VA hospital in Chicago! The event director for the VA is Araceli. They have helped Vets create an application and displayed videos of the type of business lines that Amazon offers.

Amazonian Warriors, we see you and we appreciate you.

May is Military Appreciation Month in the United States, and we are honoring employees across Amazon who have served in the military. Show your support and shout out a colleague who served in the comments.

This month celebrates Amazonians and Amazon Web Services (AWS) Builders who have transitioned from serving their country to building and helping us think bigger, and differently, about the products and – to read more please visit news.a2z.com
