

### **Position Summary:**

The Delaware Statewide Independent Living Council is seeking an experienced professional who is passionate about our mission and able to lead our organization with excellence. The Executive Director will be responsible for overseeing all aspects of the organization's operations, including the development of the State Plan for Independent Living, program development, financial management, and federal reporting requirements. As a mentor, the Executive Director will motivate and empower the SILC team to achieve their best work.

In addition to their operational responsibilities, the Executive Director will be an enthusiastic leader who inspires others to engage with our mission. They will work closely with the members of the Council to ensure that the organization is fulfilling its mission and serving its constituents effectively. The Executive Director will also be responsible for cultivating and maintaining relationships with key stakeholders, including individuals with disabilities, our independent living partners, and community leaders.

Our ideal candidate will be a motivational leader with a proven track record of success in nonprofit management, or state/national government. They will promote our organization's mission and be committed to achieving our goals. The Executive Director will be a strategic thinker who is able to balance short-term needs with long-term planning. They will have excellent communication skills and be able to represent our organization to a variety of audiences.
