Sharing The Joy Of Reading

Sign up for Braille Tales today and start receiving free books!

The American Printing House for the Blind (APH) believes early exposure to reading develops crucial braille awareness skills and promotes enthusiasm for literacy.

By enrolling in Braille Tales, participating families receive a free print-braille book every other month until the child reaches their 6th birthday.

To be eligible for the program:

- Child or parent must be blind or visually impaired
- Child must be age 5 or under
- Family must reside in the U.S. or its outlying areas
