

2023 Summer Program for Blind & Low-Vision Children: Enhance Braille and Nonvisual Skills

Coming soon to Ruston, Louisiana!

The NFB BELL Academy—which stands for National Federation of the Blind Braille Enrichment for Literacy and Learning®—helps blind and low-vision children, ages four through twelve, develop the literacy skills that will empower them to achieve their academic goals and live the lives they want.

Receive Braille instruction and other nonvisual blindness skills through fun, hands-on learning.

Take advantage of this opportunity for your child to **connect with blind role models, students, and more!**

NFB BELL Academy will be offered in person in Ruston, Louisiana from June 4-10 at the Louisiana Center for the Blind.

For additional information and to register visit our website at nfb.org/bell.
