For Email, Facebook, Instagram, and LinkedIn:

Let's work together to make the Massachusetts Arts and Culture sector more accessible and inclusive to people with disabilities!

Mass Cultural Council is partnering with Open Door Arts and Art-Reach to learn more about our community of disabled artists, patrons, and arts and culture organizations to help make our sector more accessible, inclusive, and representative of people with disabilities. They are seeking responses from individuals including people with disabilities, artists and cultural workers with disabilities, and caregivers of people with disabilities to better understand current priorities, needs, and barriers from the individual perspective.

Please fill out this 10-minute survey by May 31 at the following link:
surveymonkey.com/r/ArtsMAFeedback

The first 100 respondents to fill out the survey and share their email will receive a \$20 e-gift card.

If you have any questions, or would prefer an alternative survey format for access, please email admin@OpenDoorArtsMA.org

For Twitter

@OpenDoorArtsMA is seeking responses from individuals including people with disabilities, artists and cultural workers with disabilities, and caregivers of people with disabilities to support efforts that create a more accessible and inclusive sector!
