

Keeping Seniors Safe

(KSS) is a program that was developed in conjunction with the Volunteer Resources Section of the Montgomery County Police Department.

The KSS program was established specifically to increase awareness of safety issues within the senior community and to provide guidance and resources to seniors regarding those issues.

KSS offers free information and/or speakers on the following important topics:

- Safe shopping habits and parking lot safety
- Home safety and personal preparedness for an emergency
- Frauds and scams
- Identity theft
- Legal resources
- Whom to call for emergency and non-emergency needs
- County resources especially for Senior residents
- Elder Abuse Resources

Everyone can benefit from learning more about how to improve personal safety, prepare for emergencies and find specialized help. KSS will supply individuals or groups with additional safety resources and handouts that cover a variety of different topics.

To learn more about the KSS program or to schedule a presentation at your organization's meeting or event, contact the Volunteer Resources Section of the Montgomery County Police Department at **240-773-5625**.
