## Overview

Montgomery County Recreation is committed to healthy living through healthy eating and physical activity. The Move More Montgomery is an initiative to encourage all residents and their dogs to get up and get moving to lead them to better health and wellness.

We are proud to invite you to participate in an ambitious and comprehensive program to inform and enhance the health and wellness of Montgomery County residents.

The Move More Montgomery Festival, which is an annual event, is the culminating event of the Move More Montgomery 100 Miler Challenge with over 1,100 participants and will be open to the 100 Miler Challenge participants and the general public. With such a large enrollment in the program this year we are anticipating a bigger event than last year.

The festival will be on Saturday May 6<sup>th</sup> from 12:00 - 4:00pm at the Bauer Drive Community Center Rockville, Maryland. This field day type festival features a community walk, sport and fitness demos, active performances and mini-classes, interactive wellness booths and the Fido Fitness Arena (for our four legged family members).
