

Come celebrate the 210th birthday of Louis Braille, the man who invented the system of dot writing still used by the blind today.

See technology used for writing braille—from a slate stylus similar to the one used by Louis Braille to a modern refreshable braille display. Play braille card and board games. Test your ability to learn braille. Of course, there will be a birthday cake!

For more information, call Debbie Brown, president, National Federation of the Blind Sligo Creek Chapter, at 301-881-1892, or email deborahb14@verizon.net.

Sponsored by the National Federation of the Blind, Sligo Creek Chapter and the Library Accessibility Advisory Committee.

Sunday, January 12
2–4 PM
Wheaton Library
11701 Georgia Avenue
Silver Spring, MD 20902
