- All tabs related to the Bake and Experience Auction must be cashed out prior to adjournment on Sunday. We accept cash, credit cards, checks, and Zelle. All purchases are final. - On Sunday, you must check out of your room before 11 a.m. Please note that the convention is not scheduled to adjourn until 1 p.m. After check-out, you may store your luggage by dropping it off at Seaside 4 on the Terrace Level between 7:30 and 9 a.m., Sunday. Please be sure your luggage is clearly labeled with your name, address, and telephone number. All luggage must be picked up by 1:30 p.m. or 15 minutes after adjournment, whichever is earlier.
- If you are leaving the hotel on an NFB of Maryland bus, please bring your luggage to Seaside 4 on the Terrace Level between 7:30 and 9 a.m. on Sunday. Please identify when checking in your luggage if you are assigned to the New Carrollton Bus, Baltimore Bus 1, or Baltimore Bus 2.
- There are two guide dog relief areas. The first is located just outside Tideline A and Tideline B on the Main Level (outside of General Session). The second is located outside the Dune Deck near the Cabana sleeping room area on the Terrace Level just beyond the Tap Room; this guide dog relief area is down some steps on the beach side of the hotel, so those needing an accessible guide dog relief area will want to use the one adjacent to Tideline A and B.

Our Belief Message

The National Federation of the Blind advances the lives of its members and all blind people in the United States. We know that blindness is not the characteristic that defines you or your future. Every day we raise the expectations of blind people, because low expectations create obstacles between blind people and our dreams. Our collective power, determination, and diversity achieve the aspirations of all blind people.

The National Federation of the Blind Pledge

I pledge to participate actively in the efforts of the National Federation of the Blind to achieve equality, opportunity, and security for the blind; to support the policies and programs of the federation; and to abide by its constitution.

About the National Federation of the Blind of Maryland

We believe in the full capacity of blind people; we have the power, influence, diversity, and determination to help transform our dreams into reality. Our members work together for a brighter tomorrow by raising the expectations for blind people everywhere so that blind persons can live the lives they want.

We bring our collective experiences together to effect change at the state and national level.

Navigating the Ashore Resort and Beach Club

This location is an Aira Access Site, meaning you can use the Aira Explorers mobile application free of charge during the convention weekend.

The Ashore Resort and Beach Club is located at 10100 Coastal Highway. This hotel has two buildings that are connected through a hallway on the second floor. Most sleeping rooms and common spaces such as restaurants are in the Tower Building, while meeting rooms and Cabana sleeping rooms are in the Conference Center.

The first floor of both buildings is called the “Main Level,” while the second floor is called the “Terrace Level.”

As you arrive at the hotel and face it, the Conference Center will be on your left and the Tower Building will be on your right. The Conference Center and Tower Building are separated by a covered driveway on the Main Level. Individuals can cross between the two buildings at this level, but they will be outside for approximately 50 feet. Beware of traffic, as this driveway is used both as a loading and unloading zone and also for through traffic for the hotel parking lots. The two buildings are connected on the second or Terrace Level by an internal hallway.

Tower Building

There is one entrance to the Tower Building, which is not facing Coastal Highway but rather on the side of the hotel with the covered driveway entrance. As you come into the tiled lobby of the hotel Tower Building through the entrance from the covered driveway, you will be on the Main Level. Directly to your left along the wall are the hotel check-in desks. With your back to the covered driveway doors, to your left past the check-in desks, you will find a set of three elevators to take you to the Terrace Level and to all other floors of the Tower Building. Again, standing with your back to the doors leading to the covered driveway, straight ahead and to the right, you will find the Grand Staircase that will take you to the Terrace Level. In the middle of the Main Level lobby are several conversation

areas with different types of chairs and couches. Past the elevator you can find a small business center. The ATM is at the check-in desk.

If you turn and face the doors to the covered driveway, you can use these doors to get to the Conference Center by walking straight ahead about 50 feet.

On the Terrace Level of the Tower Building, you will find a hallway that connects common spaces and amenities. The furthest amenity to the Conference Center is Ashore Things, which sells coffee, snacks, quick bites, sundries, and tourist merchandise. Past Ashore Things is the Tide Room, which is the hotel restaurant. Connected to the Tide Room and further down the hall towards the Conference Center is the TAP Room, which is the hotel's bar. The Tap Room has a limited food menu. The hallway outside the Tap Room leads from the Tower Building to the Conference Center. At the end of this hallway, you will be on the Dune Deck, which will be described later.

The third through sixteenth floors of the Tower Building are sleeping rooms.

Those looking for a guide dog relief area from the Tower Building should use the entrance leading to the covered driveway and walk left towards Coastal Highway. At the end of the covered driveway, turn right, and you'll be outside the Conference Center, where there is a guide dog relief area described in more detail later.

Conference Center

The Conference Center has two floors – the Main Level and the Terrace Level. The Conference Center Main Level has two sets of doors – one is the large set of main doors that face Coastal Highway, and the second faces the covered driveway. If you enter the main doors, you will find yourself in the Grand Foyer. Registration, packet pick-up, boxed lunch distribution, and banquet ticket exchange will all be in the Grand Foyer.

If you put your back to the Coastal Highway set of doors, you will face Tideline A and Tideline B, which together, make the Grand Ballroom. Tideline A is on the left, and Tideline B is on the right closer to the entrance to the covered driveway. Our general sessions will be held on Saturday and Sunday in Tideline A. Tideline A will also house the board meeting, resolutions, and several seminars. Tideline B will host Pizza and a Play and Crab Idol, but there may be times when, as space is needed, we open up the rooms to make one large room which is the Grand Ballroom. If you face the Grand Ballroom, you will find a set of stairs to the Terrace Level on your far left and an elevator on your far right on the wall where the Coastal Highway doors are located.

An accessible guide dog relief area is available just outside the Conference Center entrance on the Coastal Highway side of the Main Level. There, you will find some sandy areas and trash cans. Please don't forget to bring your own baggies and dispose of them in the trash cans.

Many of our seminars and workshops, childcare, the exhibit hall, and the banquet will be on the Terrace Level of the Conference Center. You can get to this level either through the elevator and staircase in the Conference Center, or through the hallway from the Tower Building.

Resuming our walk from the Tower Building, the hallway that passes the Tap Room opens up into a large tiled seating area called the Dune Deck. This is an inside beach-style seating area, which once housed an indoor pool that has now been filled in. With your back to the hallway you came down, to your far left is a set of doors that lead you to an outside deck. This deck has outdoor seating and a staircase down to the beach.

A guide dog relief area is available just at the bottom of these outside stairs on the beach. There, you will find trash cans. Please don't forget to bring your own baggies and dispose of them in the trash cans. Those needing an accessible relief area should choose the other guide dog relief area.

Standing on the Dune Deck, directly in front of you, are a set of Cabana sleeping rooms. Some of these rooms will also be used for teen and tween

activities. To the far right of the Cabana rooms is a hallway that takes you to the meeting room hallways.

It is noteworthy that the Tap Room has a second entrance directly from the Dune Deck, and individuals can purchase food and beverages from the bar and enjoy them on the Dune Deck while enjoying sweeping views of the Atlantic Ocean in the comfort of an inside venue.

If you move across the Dune Deck to the hallway that leads to the conference rooms, you will find yourself on a carpeted area that is a space that can be broken into four parts. If you stand at the apex of these four sections, the top left section contains the Atlantic Ballrooms. The top right section contains Seaside Conference Rooms 1 through 3. The bottom left section contains the Terrace Lobby, stairs, and elevators. The bottom right section contains Seaside Conference Rooms 4 through 6.

Starting at the bottom left section, you will find yourself in a large open area called the Terrace Lobby. The Terrace Lobby is where we will hold our pre-banquet reception. The staircase is on the far left, and the elevator is on the right.

The top left section of the Terrace Level consists of three conference rooms that, together, make up the Atlantic Ballroom. We will hold our banquet in the Atlantic Ballroom. The three conference rooms that comprise the Atlantic Ballroom include Atlantic 1, which is on the far left and has windows; Atlantic 2B, which is to the right of Atlantic 1 and closer to the Terrace Lobby than Atlantic 2A; and Atlantic 2A, which is behind Atlantic 2B. Atlantic 2A and 2B share a hallway with Seaside 1 through 3. Atlantic 2B has two entrances – one on the same hallway as Seaside 1 through 3 and the other on the same side as Atlantic 1. We will use Atlantic 1, 2A, and 2B for various seminars and some of our Saturday luncheons. Atlantic 1 is also the home of the exhibit hall.

Returning to the apex of the Conference Center on the Terrace Level, the top right section consists of Seaside Conference Rooms 1, 2, and 3. Seaside 3 is closest to the apex and directly across from one of the

entrances to Atlantic 2B. Seaside 2 is just past Seaside 3, and Seaside 1 is the furthest from the apex. Seaside 1 and 2 are directly across the hallway from Atlantic 2A. Directly next to Seaside 3 but before the apex, you will find a cloak room and then restrooms.

On the bottom right section of the apex, you will find Seaside 4, which will be used for luggage storage on Sunday, next is Seaside 5, and at the end of the hallway furthest from the apex, Seaside 6, which is where childcare will be held.

LIVE THE LIFE YOU WANT

Lyrics copied from October 2015 Presidential Release

Chorus: Live the life you want. Nobody can stop you.
Shoot for the sun and break on through.
So you're blind. You'll be fine. We've got good news!
You can live the life you want. Yes, we know the truth.

Grab a cane, get trained, gotta get movin'.
Make a change in the wage, that's what we're doin'.
Come with me, yeah.

Chorus

You and me, NFB, let's dream together.
NFB, you and me, lives on forever.
You will see, yeah.

Chorus

You can live the life you want. You'll know the truth.

Vanda Pharmaceuticals is dedicated to raising awareness of Non-24-Hour Sleep-Wake Disorder (Non-24) and supporting the blindness community. Non-24 is a rare circadian rhythm disorder affecting up to 70% of people who are totally blind. People living with Non-24 experience excessive daytime sleepiness and nighttime sleeplessness, which leads to impaired social and occupational functioning. Leaving A Legacy: Dream Makers Circle

You can help build a future of opportunity for the blind by becoming a member of our Dream Makers Circle. It is easier than you think. Just visit your bank and convert an account to a P.O.D. (payable on death) bank account which is payable after your passing to the National Federation of the Blind or the National Federation of the Blind of Maryland. Your legacy gift to the National Federation of the Blind or the National Federation of the Blind of Maryland can be made in the form of a will or living trust, an income generating gift, or by naming us as the beneficiary of a retirement plan, IRA, pension, or a life insurance policy. You can designate a specific amount, a percentage, or list NFB as one of several beneficiaries. For additional information, please contact Patti Chang at 410-659-9314, ext. 2422 or at pchang@nfb.org.

STRIVE

Lyrics by Barbara Elliott

Sometimes people tell me blind people should be quiet and sit down
But I say "No!" I say "No!" I say "No."
They contend that I should be content to let others lead me around,
But I say "No!" I say "No!" I say "No."
Everybody needs somebody to help sometimes, but I'm in charge of me.

Chorus: I've gotta strive, strive, strive a little farther,
Reach, reach, reach a little longer,
Work, work, work a little harder,
Hope, hope, hope a little stronger.
Watch me, watch me, watch me.
Nothin's gonna stop me, stop me, stop me.
I'm spreading my wings, soaring on a dream,
I can do anything!

I gotta be brave even when I'm afraid to do hard things.
I'll tell myself "Go!" I'll just go, I will go.
I'm not a fool; I need training and tools to live out my dreams.
So I'll say "Go!" I'll just go, I will go.
I'm not a passenger in my life. I'm gonna take control and drive.

Chorus

A Closing Message

On behalf of the Officers and Board of Directors, I'd like to take this opportunity to thank all federationists and friends for your generous monetary donations and gifts of goods and services. We had a very successful year and an outstanding convention because of your help!

Ronza Othman, President

BRAILLE IS BEAUTIFUL

Na na na-na na na, na na na-na nah.
Na na na na nah, na na na-na nah.

Chorus:

Go on and live your life,
Don't need a bit of sight.
In the end you'll find
Braille is beautiful.
Put your fingers on the page.
Tell your friends it's all the rage.
It's all gonna be OK, yeah
Braille is beautiful!

Na na na na na na, Na na na-na nah Braille is beautiful!
Na na na-na nah, Na na na-na nah.

Verse

Louis Braille was his name. Slate 'n' stylus was his game.
They tried to stop him, but we adopted the code that paved the way.

Chorus

Na na na na na na, Na na na-na nah Braille is beautiful!
Na na na-na nah, Na na na-na nah.
Na na na-na nah, Na na na-na nah.

BRAILLE IS BEAUTIFUL!

ODE TO THE CODE

Sligo Creek, Digital Communications Consortium

Going to the school to write an IEP,
The teacher says use print, because your child can see.
The equipment is too big, and large print is too rare,
And fifteen words a minute will not get you anywhere!

Chorus:

Braille is here, Braille is here, Braille is here to stay!
We will keep on using it, we don't care what you say!
Braille is here, Braille is here, we will sing its praise.
It's the system for the blind to get a job that pays.

They say that Braille's too tough to teach the newly blind.
Its codes and its contractions discombobulate the mind.
Contractions we've learned all, and codes we've mastered, too,
For blindness has no negative effect on our IQ!

Chorus

They say that Braille's complex. They say that it's too slow.
They say that new technology's the only way to go.
But we'll keep using Braille, because it is the key
To making sure that blind folks will be literate and free.

Chorus
