The Maryland School for the Blind
ACHIEVING INDEPENDENCE

Division of Special Education / Early Intervention Services

The Maryland State Department of Education and the Maryland School for the Blind will be hosting the Maryland 2019 Regional Braille Challenge

The 2019 Maryland Regional Braille Challenge is celebrating 10 years so it's time to boogie on over to the Maryland School for the Blind and be a part of the disco theme! It's going to be Dy-no-mite!

Braille is an important key to literacy! It allows for the enjoyment of reading, leads to school success, and opens the doors to future employment. Come celebrate braille literacy with a day filled with fun, competition, learning, and prizes! In addition, bring in braille books you no longer read for our Braille Book Exchange!

The non-competitive program for Braille Enrichment for Literacy and Learning (BELL) will return again this year. Students will participate with peers and blind adult role models in various fun activities which integrate braille. This is for elementary aged students and the group size is limited to 10. This program is designed for beginning braille readers who are learning the alphabet and some contractions.

Students who read braille in grades pre-kindergarten through grade 12 are invited to participate in the Maryland Regional Braille Challenge reading and writing contests. Parents are invited to participate in workshops while students are competing. Teachers and school staff are invited to assist with test proctoring, scoring, and facilitating activities throughout the day. Presentations include workshops to address independent and adaptive living skills and what it takes to be successful in college. Our keynote speaker is Sergio Oliva, National Programs Director at Braille Institute. We hope you will join us for this exciting event!

For the 2019 Braille Challenge all contests for all grade levels will be in UEB. There will no longer be an EBAE option.

To learn more about the Braille Challenge visit BrailleInstitute.org and to find practice materials go to [Braille Institute's Braille Challenge Information](#) and select the "Sample Contests" link.

The iBraille App is a free app created to bring braille and digital literacy together. Through the app, using an iPad and a refreshable braille display, students can practice and hone their braille literacy skills anywhere, anytime!

HOW TO START

1. Download the app from the iTunes store onto your iPad
2. Connect to WiFi and pair your iPad with your refreshable braille display
3. Open the app and click on the sign-up button
4. Set up your account using your email address to receive a 5-digit code
5. Log in and start using the iBraille Challenge App

THANK YOU FOR THE SUPPORT FROM OUR NATIONAL SPONSORS

Braille Challenge

Art Challenge

Calling all Braille Readers and/or Braille Appreciators...

*Here is your chance to show your support of Braille and the **Regional Braille Challenge** by creating wearable art in the form of a T-shirt design!*

On **Saturday, February 9th** we will be celebrating the **10th Anniversary** of the Maryland **Regional Braille Challenge**. In addition, the Braille Institute will celebrate it's 100th Anniversary in 2019. The Braille Challenge is an academic competition for Braille readers grades 1-12 to show their literacy abilities in five categories of fundamental Braille skills; **reading comprehension, spelling, speed and accuracy, proofreading and charts and graphs.**

Won't it be **AWESOME** knowing that all **Maryland Braille Challenge competitors** are decked out in your **wearable artwork**?

How to enter the 10th Anniversary of the MD Regional Braille Challenge

Art Competition:

1. Students in grades K–12 create a design within the parameters of the attached paper that represents what Braille means to you. This design can be a literal or abstract design, and can be tactile (though will not be tactile in the final print on the shirt). Have fun with it!!
2. Your design can be up to 4 different colors, plus the white background of the t-shirt.
3. Make sure you sign your artwork and include your name, age, grade, school and title of your artwork on the paper attached.
4. Place your original artwork and the info page into an envelope large enough to accommodate braille paper 11-1/2"x11". Seal envelope and send in the mail by December 17th to:

MSB Outreach Art Contest

Renee Kirby

3501 Taylor Avenue

Baltimore, MD 21236

The winner will be chosen and notified by January 25th along with all other entries.

A runner up and honorable mention will also be chosen. Regardless of your participation in the Braille Challenge, all 3 winners will be given a t-shirt with the chosen design.

*Your artwork will not be returned, so please snap a picture prior to sending it to the above address.
