

Play With Us!

A Family Event

In this increasingly technological world science technology, engineering, art, and math (STEAM) skills are key to every child's success. The Maryland State Library for the Blind and Physically Handicapped, FutureMakers, and the Rural Maryland Council invite families to play and learn with us as we present innovative and accessible STEAM activities modified for children with print impairments.

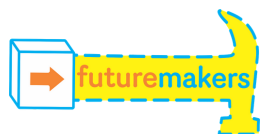

This program welcomes children from ages 5 – 10 to attend.
Children must be accompanied by adults.

Date: Feb. 16, 2019

Time: 2:00 PM to 5:00 PM

**Location: National Federation of the Blind
200 East Wells St.; Baltimore, MD 21230.**
