ACHIEVING INDEPENDENCE

Make and Take: Make your Word documents accessible

Calling all educators!
Learn how to make your word documents accessible to all students. Making your documents accessible ensures students can participate in your instruction without barriers. Bring a word document with you to make accessible during this session. No prior knowledge needed.

Objectives:
1. Participants will learn the basic components of accessible documents and how to implement them
2. Participants will learn how to conduct their own accessibility checks of their word documents
