

## **Empowering Blind Students in Science and Engineering**

Are you pursuing a career in Science, Technology, Engineering, and Math (STEM)?  
Are you interested in meeting other blind people just like you?

Apply to attend the [Empowering Blind Students in Science and Engineering workshop!](#)

This amazing opportunity will allow blind and visually impaired students to:

- Attend presentations on professional development and accessibility
  - Be mentored by successful blind STEM professionals
  - Network with industry, government, and education leaders
  - And meet blind students pursuing STEM just like you!
- 
- **Who:** Blind high school and college students pursuing STEM careers
  - **When:** Monday and Tuesday, June 2 and 3, 2014
  - **Where:** Seattle, WA

Applicants must be at least 18 years old by the date of the workshop. We will select approximately 15 applicants, and they will receive an expenses-paid trip. See our [website](#) for the application and more details. Our URL is:
