About the National Federation of the Blind of Minnesota (NFBMN)

The NFBMN is a non-profit organization of blind persons, affiliated with the National Federation of the Blind. Every day we raise the expectations of blind people, because low expectations create obstacles between blind people and our dreams. "You can live the life you want; blindness is not what holds you back."

How will my "*Walk for Opportunity*" donation money (which is tax deductible) be used?

- Offer programs to enhance the education of blind children and youth
- Connect senior citizens who are losing vision with the services and training they need to remain independent
- Contact and help newly-blind persons with adjustment and orientation
- Educate the public about blindness through events, literature, and digital media
- Award college scholarships to qualified blind students
- Provide legal assistance and other advocacy services
- Promote employment opportunities for qualified blind applicants
