

Student Seminar

North Carolina Association of Blind Students

Once again NCABS is having our annual student seminar.

Saturday March 19th 9am—5pm

Penland Building Governor ————— Moorehead School Raleigh NC

- All blind or visually impaired students in North Carolina are invited
- We discuss career options.
- The newest assistive technology available.
- Guest speakers
- Discussion of obstacles and options to overcome them. Including transportation, orientation and mobility, and finances.

Catered lunch will be included in the price of admission.

Admission: \$10 per student

The North Carolina Association of Blind Students is a

non-profit organization of and for blind students. Our mission is to help blind and visually impaired students have the information and opportunities to succeed.

We are a subsidiary of the National Federation of the Blind. We have monthly conference calls to discuss philosophy questions about life being blind or visually impaired, and discuss different ways and opportunities for blind and visually impaired students to succeed academically and financially. You can find more information about our organization at <http://www.ncabs.org/>.
