Are you a high school or college student wondering what the best technology is for your academic or career goals? A VI instructor looking to introduce your students to other successful blind individuals that use current technology in their daily lives? Or, have you been an assistive technology user for years and are excited to hear what is new on the market? Well, we are the gathering for you! Join us on Friday morning, September 26 at the Crown Plaza Hotel in Louisville, KY (Russell Shelby room-2nd Floor) for our 2nd Annual TAD Fall Symposium! Top vendors will provide the latest information on their products and you do not want to miss out on the awesome door prizes drawn throughout the day!!! TAD WANTS YOU! BE THERE!
