Testimonials

Complete Spectrum financial Services makes a donation for every adult over 25 years old that attends an educational seminar addressing financial strategies regarding saving for college, retirement planning and reducing your tax burden. That's it!!!

"In comes a sizable check for our football program. It couldn't be any simpler. It couldn't be any easier. I was extremely impressed with the integrity and professionalism of the Complete Spectrum representatives."

Ron Castagna, Colorado High School Principal of the Year 2012

"It is an effortless way to raise a substantial amount of money. Their donation program helped many of our football players offset their travel expenses to attend the KSA Events KickOff Classic in Florida."

Mark Robinson, Head Football Coach at Highlands Ranch H.S.

"One of the big values as a church of using Complete Spectrum's donation program was that 17 of our kids were able to go to a seminar in New Orleans. There would have been a huge number of kids not able to go without their donation."

Steve Kalb, Senior Pastor at Calvary Church

"Complete Spectrum's donation program worked so well for our son's baseball team that we helped set it up for three other sports programs at our school."

Jill and Gregg Mau, Longmont High School
