Please see the following list of required attachments. Fill out the application and attach the following documents or arrange to have them sent to the Scholarship Committee:

1. Personal Letter from Applicant. NFB scholarships are awarded on the basis of scholastic excellence, financial need, and community service. In preparing your personal letter, keep in mind that the committee members are all successful blind college graduates. Consider how you can most effectively convey your best qualities. Since the awards are restricted to blind people, the committee will be interested in the techniques and approaches you use. Almost all blind students have financial need. Committee members will assume basic need, so you may choose merely to refer to this topic unless your need is unusual.
2. Two letters of recommendation.
3. Current transcript from institution now attending and transcripts from all other post-secondary institutions attended. If you have not yet attended such an institution or have not completed one year of study, send high school transcript.
4. Letter from a NFB Federation State President or Officer. Federationists are volunteers. Many take messages and then return calls in evenings or on weekends. They will wish to speak with applicants personally; parents or school officials may help set up appointments but cannot participate in the actual interviews.
5. Score Reports (for high school seniors only). Please attach a copy of your score reports for all standardized tests taken for college admission. Copies are acceptable; there is no need to attach official reports.
