Begin ribbing as follows,

Medium Size

(K2, P2) to end of round.

Large Size

Repeating the stitches between the ().

Repeat ribbing until your preferred length, the sample was 10 rounds.

Once ribbing is completed, begin chart for your size. Repeat rows 1-12 as many times until desired leg length. The sample was knit with 5 repeats for the leg.

Heel Flap

You will knit across N1 in pattern and starting on the RS of N2; the heel flap is knit on N2 only. N1 stitches will be left on hold until heel flap & turn are completed. The first 3 and last 3 stitches are always knit.

Row 1 – K3, (Slip 1, K1) to last 3, K3.

Row 2 – K3, purl to last 3, K3.

Repeat these two rows until you have 15 (18) purl rows on the edges of heel flap.

Heel Turn

With right side facing,

Row 1 – K17 (20), SSK, K1, turn.

Row 2 – Slip 1, P5, P2tog, P1, turn.

Row 3 – Slip 1, Knit to 1 stitch before gap, SSK, K1, turn.

Row 4 – Slip 1, purl to 1 stitch before the gap, P2tog, P1, turn.

Repeat rows 3 & 4 until all stitches have been worked 18(20) stitches left.

Gusset

Knit across heel flap stitches 18(20). You will now pick up 16 (19) stitches.

I pick up the stitches between the purl bumps and underneath 2 strings of yarn. One extra stitch is picked up at the corner of the heel flap just before you join to N1. This is to avoid a gap but you can choose to just pick up 15(18) stitches.

Rejoin with N1 and knit across the instep on N1 in chart pattern and then pick up your stitches 16(19) on the other side of the heel flap on N2.

After you have picked up your stitches you are now back to the heel turn stitches, knit 9(10) this is the beginning of the round and you can place a marker if you wish.

Gusset decreases are as follows,

Round 1 – On N2, knit to the last 3 stitches, K2tog, K1, knit across N1 in pattern, on N2, K1, SSK, knit to middle of heel.

Round 2 – N2 is knit and N1 is knit in pattern.

Repeat these two gusset decrease rounds until you have reached your original stitch count, 60 (72) stitches, 30(36) stitches on N1 & N2.

Foot

Continue knitting the foot as follows,

N1 is in Pattern and N2, which is the sole of the foot, is knit plain. Knitting the foot until it measures approx 1.5” to 2” less than the your foot length. When I try on my sock, I knit until I have reached the bottom of my big toe and then begin my toe decreases.
