

Creating Options Support Group

You and Your Creativity Part II

A lively discussion on the subject of creativity for blind and visually impaired people took place last month. With the interest and enthusiasm around this topic we will focus on this subject once again during the May 15th Creating Options meeting. Sewing, drawing, weaving, and design were some of the fascinating topics discussed. Once again, participants will not only discuss but will bring such items as crochet work, woven items, measuring devices and baked goods. Friends and family members are always welcome. Join us and bring your creative items or questions to enjoy over a cup of coffee.

This group meets the third Wednesday of each month from 10:00a.m. to 12 noon and is facilitated by Nancy and Don Burns.
