PARENT UNIVERSITY VIRTUAL SESSIONS

FEBRUARY – MAY, 2025

understanding special education rights, navigating Individualized Education Programs (IEPs), fostering effective communication with schools, and preparing for key transitions in your child's educational journey. Each session provides practical strategies and resources to help you confidently advocate for your child's success.

Sessions provide practical strategies, real-world examples, and tools to build partnerships with educators, develop communication plans, and advocate for your child's inclusive education.
