### Job Summary

**Civilian employees serve a vital role in supporting the Army mission. They provide the skills that are not readily available in the military, but crucial to support military operations. The Army integrates the talents and skills of its military and civilian members to form a Total Army.**

The Department of the Army Pathways Internship Program is designed to provide students currently enrolled in a wide variety of educational institutions, from high school to graduate level, with opportunities to work and get paid while exploring federal careers through a job with the Department of the Army.

#### About the Position:

Positions will be filled under the Department of the Army Pathways Intern Program. Click [here](#) for more information on Pathways program participation.

Positions for this Student Trainee (Engineering/Architect) GS-0899-4 will be filled in the following duty locations.

New York City, NY; East Meadow/Long Beach, NY and West Point, NY. The salary range for these duty locations is \$33,479 - \$42,518.

Ft. Drum, NY. The salary range is \$29,356 - \$38,158.

Niagara Falls, NY. The salary range is \$30,275 - \$39,352.

#### Who May Apply:

**Students who are eligible for participation in the Department of the Army Internship Program:**

Positions are open to current students pursuing a qualifying degree or certificate in an accredited high school, college (including 4-year colleges/universities, community colleges, and junior colleges); professional, technical, vocational, and trade school; advanced degree programs; or other qualifying educational institution.

These are summer intern positions not to exceed September 30, 2017.

## Duties

As an intern, you will be assigned to a senior specialist or group of specialists. You will be assigned tasks designed to familiarize you with different aspects of the occupation. Tasks will vary depending on the senior specialist's current workload, but may include the following:

- Collect data from prescribed sources for use on projects
- Prepare report of findings, cost and schedule changes, milestones, and project status for review by higher graded employees
- Analyze data collected to assist with design work of limited scope

## Travel Required

- Not Required

## Relocation Authorized

- No

## Key Requirements

- Internship Participant Agreement is Required
- Must be a Student in good academic standing

## Qualifications

To qualify for a Pathways Internship at the GS-04, students must have completed two full academic years of post-high school study, or have an associate's degree. Two full academic years is the number of credit hours determined by the college, university, or school to represent two years of full-time study.

Be a current student in an accredited college (including four year colleges/universities, community colleges, and junior colleges); professional, technical, vocational, or trade school; advanced degree program; other qualifying educational institutions pursuing a qualifying degree or certificate.

You will be evaluated on the basis of your level of competency (knowledge, skills, abilities) in the following areas:

- Ability to communicate orally and in writing
- Skill in researching
- Ability to prepare reports

Only degrees from an accredited college or university recognized by the Department of Education are acceptable to meet positive education requirements or to substitute education for experience. For additional information, please go to the Office of Personnel Management (OPM) and U.S. Department of Education websites at -

<http://www.opm.gov/qualifications> and <http://www.ed.gov/admins/finaid/accred/index.html>.

Foreign education must be evaluated for U.S. equivalency in order to be considered for this position. Please include this information in your resume.

## Other Requirements:

Click [here](#) for more information.

Male applicants born after December 31, 1959 must complete a Pre-Employment Certification Statement for Selective Service Registration.

You will be required to provide proof of U.S. Citizenship at the time of your conversion to permanent employment.

Personnel security investigation is required

Direct Deposit of Pay is Required.

**Conditions of Employment:**

- This position requires the applicant to work under an Internship Participant training agreement.
- Must be a student in good academic standing.
- Student must submit to a background investigation.
- You must be a current student in an accredited college (including 4-year colleges/universities, community colleges, and junior colleges); professional, technical, vocational, and trade school; advanced degree programs; or other qualifying educational institution pursuing a qualifying degree or certificate. (Note: You must attach transcripts to this announcement for verification.)
