

2026 SUMMER U.W.I.N. PROGRAM

MAY 31 - JULY 10

*Home for 2 weekends

WHAT IS UWIN?

UWIN is the ultimate opportunity
for high school students
with visual impairments to
gain independence
while getting ***paid!***

- 6 weeks of independent living practice
- customized employment (24 hrs/week)
- supervised apartment living
- crash course in adulting essentials like cooking, cleaning, and budgeting

WHO QUALIFIES?

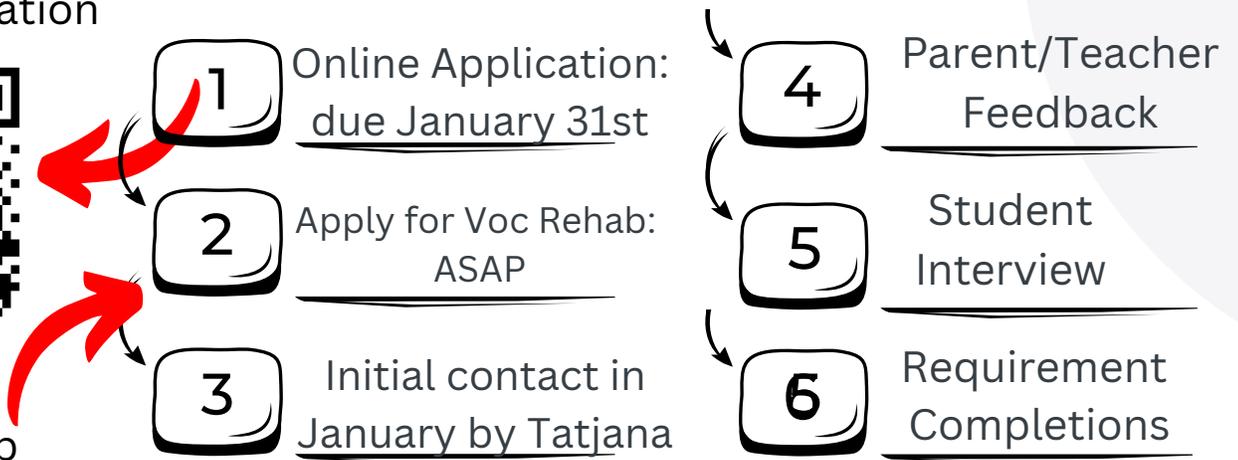

- Visually impaired students in high school or post-high school (final year of qualification upon graduation)
- This is a very fast-paced program that is designed primarily for students who will be living independently within 5 years of graduating high school
- Students must be independent in all hygiene and healthcare needs
- No job coaches provided except for limited initial training

HOW DO I APPLY?

UWIN Application

Voc Rehab Application

*Most students will request a blind/low vision specialist counselor

- This program has outside requirements for funding that is provided by Voc Rehab, free of charge to their clients
- Families are required to provide transportation to program in SLC
- Spots are limited each year and there is frequently a waiting list to participate
- If the student is even considering the program, please submit the application (no obligation to the student for submitting)
