

City of Phoenix

March 13, 2024

Dear Community Partner:

The city of Phoenix is preparing the 2024-25 budget. Community input is a valuable part of the annual budget process. Between April 2-16, 2024, the city will be hosting 11 Community Budget Hearings to gather feedback on the City Manager's Trial Budget which will be presented to City Council on Tuesday, March 19.

Please share information about the budget hearings in your mailings and communications with your members and constituents. The hearing schedule is enclosed.

At the hearings, residents will have an opportunity to comment on the proposed budget. City Council members and staff from various city departments will be available to answer questions. This public discussion is among the reasons the city's budget so closely matches the community's highest priorities each year. Information on the 2024-25 Trial Budget is on the city's website at www.phoenix.gov/budget. Residents are invited to provide comments on the budget by completing the online form at <https://www.phoenix.gov/budget/contact-us>, emailing us at budget.research@phoenix.gov or calling us at 602-262-4800, TTY: use 7 - 1 - 1. Social media users can follow #PhoenixBudget.
