Braille Institute®

January 2023
Assistive Technology Month Workshops

Join Braille Institute as we celebrate Assistive Technology Month! Participate in workshops, live demonstrations, and get hands on experience with some of the devices.

WEDNESDAY
JANUARY 11
10 - 11 am PT

Expand Your Blind Life with Sam Seavey - Remote

Sam is the founder and creator of The Blind Life YouTube channel, with more than 46,000 subscribers and over 700 informative videos. Join us for an opportunity to learn about Sam's journey living with Stargardt Disease and hosting a YouTube channel. Register here: https://bit.ly/3BGirSZ

WEDNESDAY
JANUARY 18
10 - 11:30 am PT

Experience the OrCam Devices - Hybrid

Orcam harnesses the power of artificial vision technology in useful wearable devices for the visually impaired. Join us for a live demo led by an Orcam representative. After the demo, in-person attendees will have the chance to try the devices. Register here: https://bit.ly/3uQ3XMJ

WEDNESDAY
JANUARY 18
1:30 - 3 pm PT

Experience the Fusion Software - Remote

Fusion combines screen magnification and reader for Window Users. Learn how to use this powerful software and how you can trial it for free on your own personal computer for a limited time by joining Access Technology Specialist, Beverly. Register here: https://bit.ly/3W3N9gY
