

The Family Café provides individuals with disabilities and their families with an opportunity for collaboration, advocacy, friendship and empowerment by serving as a facilitator of communication, a space for dialogue and a source of information.

Simply put, we help a population that faces unique challenges find their voice.

Our signature event, The Annual Family Café, is the largest cross-disability event in the nation. We also provide year-round opportunities for individuals with disabilities to connect, educate themselves about available services, share concerns, and unite to influence public policy.
