Introducing AIRA

The Aira service provides trained live agents to assist blind or low-vision people. This smartphone app delivers instant access to visual information.

How does AIRA work?

1. Download the free "Aira" app at aira.io/app, or call 1-800-835-1934, or email support@aira.io. You don't need a credit card, only a phone number.
2. Engage the app and connect with a trained Aira agent on demand.
3. Receive up to 30 minutes real-time assistance exploring Broward Parks geofenced areas including walking or nature trails, rental halls, campgrounds, offices, pavilions, or restrooms. An AIRA agent will assist you to social distance through crowds, read posted signs, and access amenities.

Individuals with disabilities requiring accommodations to participate in program services and activities must contact the Special Populations Section at 954-357-8170 or TTY 954-357-2844 at least five (5) business days prior to the scheduled event.
