

Supplemental Security Income Telephone Wage Report - Instructions

Beneficiaries, deemors and representative payees reporting a change in wages can report total monthly wages to SSA by telephone. These instructions explain what beneficiaries, deemors, and representative payees need to do in order to use the SSA phone system to report total monthly wages. Using the following charts to help you calculate your monthly wages is voluntary. Beneficiaries, deemors and representative payees who would rather not report wages by telephone can use the mobile wage reporting application or traditional reporting methods such as mailing or bringing paystubs into their local Social Security office. Monthly telephone reporters who experience technical difficulties should contact their local field office for assistance.

When you should call to report monthly wages

Please report wages during the first six days of the month to help prevent an incorrect SSI payment. You can choose which of the 6 days to call. If you miss reporting during the 6 day reporting period at the beginning of the month, you can still report the wages over the phone, mobile application, or report to your local Social Security office.

Things you need to have before you report wages by telephone

- The **caller's** Social Security number – this is the person actually calling to report the wages
- The **wage earner's** Social Security number - this is the person working
- The **TOTAL** amount of gross wages received for the entire month by the wage earner. Gross wages are the amount of pay before taxes and other deductions
- The **caller's** name as it appears on their Social Security card

How to figure the total wages for each month

Fill in the blanks on the attached worksheets. Use your worksheet to report wages for the entire month when you call the 800 number.

Who is the Wage Earner?

A wage earner is the person who is working and receiving wages or payment for working. You are the wage earner if you are working and you are reporting your own wages. If you are calling to report someone else's wages, then the wage earner is the person whose wages you are reporting.

How to fill-in the worksheet

Date Paid

Use **Box A** to show the date paid (payday).

Date Paid is the date (Month, Day, Year) the wage earner is paid (pay day).

Gross Wages

Use **Box B** to show the gross amount of wages.

Enter dollars and cents (\$ X,XXX. cc).

Use the wage earner's pay stub to find the gross wages. Gross wages are the amount of pay before taxes and other deductions. Do **not** enter net wages, the amount of take home pay on the paycheck, or the direct deposit amount to your bank. Do **not** enter the total wages for the year, also called the year-to-date (YTD) amount.

Use a Separate Line for Each Pay

You should fill-in a line for each pay date in a month.

If the wage earner is paid 2 times a month, you should fill-in **Line 1** and **Line 2**.

If the wage earner is paid 3 times a month, you should fill-in **Line 1**, **Line 2** and **Line 3**.

If the wage earner is paid 4 times a month, you should fill-in **Line 1**, **Line 2**, **Line 3**, and **Line 4**.

If the wage earner is paid 5 times a month, you should fill-in **Line 1**, **Line 2**, **Line 3**, **Line 4** and **Line 5**.

If the wage earner gets an extra check for special pay such as an award, bonus, or unused vacation, or any other reason, use a separate line to enter the pay date and gross wages.

How Wage Earner Paid	Number of Pays a Month
Paid Weekly	4 Pays or 5 Pays
Paid Bi-Weekly (Every 2 Weeks)	2 or 3 Pays
Paid Bi-Monthly	2 Pays
Paid Monthly	1 Pay

Total Gross Wages

Use **Box C** to enter the total amount of gross wages received in the entire month.

Add together all gross wages in **Box B** for each line where you have wage amounts. This is your total monthly wages. Put the total in **Box C TOTAL**.

Please double check that you only include all dates and amounts that you received in the month shown at the top of the page.

You are now ready to call in and report total gross wages received.

IMPORTANT:

- Please be sure to report wages from a quiet location, since background noise may cause the report to fail.
- Each month report the total gross wages received in the PREVIOUS month.

Remember, consistent and timely monthly wage reporting helps prevent SSI overpayments and underpayments.

Call 1-866-772-0953 now and make your report.
