Your Path to Parnassah

Ready to start earning a parnassah but don't know where to start? COPE's Business Essentials/Junior Accounting is designed for beginners, offering a clear, supportive introduction to business fundamentals like accounting, Excel, QuickBooks, and communication - no prior knowledge needed.

In just 3 months (day program) or 6 months (evening program) you'll gain the practical tools to qualify for jobs in accounting and general business, and the foundation for an accounting degree.
