

Hands-On iPad 101 Training

For Parents of Individuals with Disabilities,
Providers, Educators, Interested Persons

- Training includes a basic overview of iPad navigation, a demonstration of accessibility features, and an exploration of the apps designed for people with special needs.
- iPads provided for each participant to allow hands-on experience
- A great chance to see if your child, student or client will benefit from the iPad before purchasing

Reservations required for this FREE event.

Saturday, December 10th
9 to 11 a.m.

- Class is limited to 10 people
- If unable to attend at this time or to schedule an individual or group session, please contact us.

Contact Kris Sandefur at 1-800-209-6202 or wkatc@wfcampus.org.

Held at the Henderson Public Library
