

SEEKING GUIDE DOG OWNERS FOR SHORT VIDEO

Share an incredible story about you and your guide dog!

Take part in a project about the great lessons we learn from our dogs! Documentary film company PUBLIC RECORD (publicrecord.tv) is searching for men ages 20 through 30 who lost their eyesight or became visually impaired and have pulled through the experience in a positive way with the help of their guide dog. This video is being made in collaboration with a national brand dog food company.

You must be available at the end of March through the first week of April. Your participation will entail four to five days, which you will be compensated for.

Send your stories for consideration in one of the following ways:

- E-mail to alice@thepublicrecord.tv
- Send audio submissions to alice@thepublicrecord.tv
- Leave a voice message at 917.445.7821
