

What does the ADA Mean to Me?

The Americans with Disabilities Act is 28 years old this year. How far have we come and where do we go from here? In this presentation, we will discuss a **brief history** of the disability rights movement, an **overview** of the 5 Titles (sections) of the ADA, and the **resources** available from the **ADA National Network**. We will also discuss the impact of current policy and legislation that presents challenges for the disability rights movement.
