

We have several items available for sale.

Wooden Over-The-Braillewriter Shelves:

These are perfect for placing reading material on top of while allowing full access to a Perkins braillewriter. Contact us to see what colors we currently have and let us know if you would like one with 7.5" height clearance for young children or 10" clearance for older kids and adults. Each shelf is \$50.

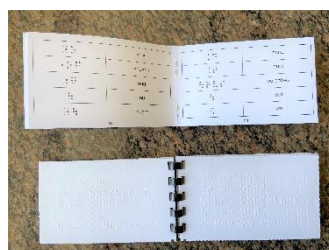

Braille Swing Cells:

These demonstrate dot positions in both a full cell and the keys of a braillewriter. Each swing cell is \$10.

Whittle Pocket Braille Reference Books:

Available in either print or interpoint braille. These are 3" x 5" and fit easily in a pocket, backpack, or purse. They contain the code for UEB literary braille. \$10 for either print or braille copies.

Masks:

We have both adult and kid sizes. Contact us for specific color and theme options. Each mask is \$10.

You can order any of these items by contacting us at braille@nbpcb.org.

Profits from all sales go to support blind children's literacy programs.
