

## 2023 Summer Program for Blind & Low-Vision Children: Enhance Braille and Nonvisual Skills

*Coming soon to Louisville, Kentucky!*

The NFB BELL Academy—which stands for National Federation of the Blind Braille Enrichment for Literacy and Learning®—helps blind and low-vision children, ages four through twelve, develop the literacy skills that will empower them to achieve their academic goals and live the lives they want.

**Receive Braille instruction** and other nonvisual blindness skills through fun, hands-on learning.

Take advantage of this opportunity for your child to **connect with blind role models, students, and more!**

**NFB BELL Academy will be offered at the Kentucky School for the Blind, July 24-28, 2023. Registration is \$25.**
