

Date: March 28, 2011

**Centers for Medicare & Medicaid Services  
Office of the Administrator  
Chief Operating Officer**

**Office of Operations Management  
(FCMA)**

- Prepares and presents recommendations to the Administrator, Principal Deputy Administrator and Chief Operating Officer and other high-level CMS and Department officials on planning, leadership, implementation and policy issues concerning modifications to existing and proposed operating policies that will improve the administration and operations of programs and CMS as a whole.
- Provides consulting services internally to CMS management and staff to identify processes that need improvement, to develop improvement strategies, and to monitor processes and improvements over time. Participates in CMS-wide initiatives to streamline operations, improve accountability and performance, and implement management best practices.
- Promotes project planning principles throughout CMS and provides technical guidance to CMS on project planning and management techniques. Prepares and presents recommendations to senior officials regarding major projects.
- Promotes and teaches risk assessment methods to business owners throughout CMS. Promotes awareness of the importance of risk analysis as a component of business planning and trains CMS staff in specific techniques and their applicability in particular situations.
- Identifies operational vulnerabilities within CMS and develops and executes an operational review plan for each fiscal year, subject to approval by the Principal Deputy Administrator and Chief Operating Officer and other senior leadership of CMS.
- Plans and conducts targeted internal audits and makes recommendations to strengthen internal audits and improve the operations of CMS.
- Provides CMS' internal customers (employees) with support in human resource management, procurement management, and logistics. Includes planning, organizing, coordinating, and evaluating needed activities in each area.
- Manages and directs CMS' ethics and management programs; develops and implements CMS' policies, rules and procedures related to effecting, managing and directing CMS procurements; provides policy direction, coordination and support for administrative services including space, property, records, printing and facilities management, safety and security, and a centralized customer service desk.
