

The Blind Travel Foundation is hosting the [Blind Travel Summit](#) November 13–14, 2025, at the Texas School for the Blind and Visually Impaired in Austin, Texas!

Led by **Mike May**—Consumer Technology Hall of Famer, Paralympian, accessibility trailblazer, and Blind Travel Foundation board member.

“This summit is a unique opportunity for conversations among active blind travelers and travel industry experts using lived experience, to consider what is possible, what works, and what can be improved.”

Why Attend?

- An opportunity to have conversations with fellow blind travelers, tech users, and accessibility advocates
- Engage in sessions with partners across rideshare, AV, air travel, hotels, apps, gear, and more
