

## Summer Experience Camp

Join the Adventure - June 22-29, 2021

There's no better way to spend a summer week than hanging out with friends, spending time with a Leader Dog and enjoying a variety of indoor and outdoor activities. Welcome to Summer Experience Camp!

### CAMP OVERVIEW

It's an awesome way for teenagers who are legally blind to do and learn as much as possible in a safe and engaging environment. Campers ride bikes, play beep kickball, climb a rock wall and much more. This seven-day program also helps prepare them for the next stage of their lives by:

- > Teaching leadership and teamwork development
- > Providing an introduction to working with a guide dog
- > Training on the latest in handheld GPS technology
- > Discussing everyday tips and solutions with peers who face similar challenges

## GPS TRAINING

As soon as campers arrive, they receive a free HumanWare Victor Reader Trek. With this handheld device, they can quickly start planning routes and exploring new and fascinating places.

## A DAY WITH A GUIDE DOG

With a trained Leader Dog as a partner, campers receive an introduction to:

- > How to care for a guide dog
